MADISON COUNTY - Clark Oil Refinery
Spill Clean-up

Mr. Gene Knipping
Clark Oil & Refining Corporation
P.O. Box 7
Hartford, Illinois 62048

Dear Mr. Knipping:

Receipt is acknowledged of your letter of June 26, 1985 concerning the cleaning of the drainage ditch alongside the coke storage area.

The area of work was viewed on June 27th by J. N. Mahlandt, P.E. of this Agency and after the inspection you were contacted. Based on our representative's report, we conclude that all debris was removed and the ditch was restored to its original configuration. This re-shaping and subsequent seeding appeared to be very satisfactory.

We wish to thank the involved refinery personnel for the prompt action taken in this matter.

Very truly yours,

ENVIRONMENTAL PROTECTION AGENCY
